

Yearbook Spirit and Business Ads

How would you like to congratulate your child, a teacher or a Suburu staff member, for a job well done or maybe you'd like to advertise your business. You can do it with an ad in our 2009-2010 Suburu School yearbook.

Spirit Ads:

Just write down below what you would like to say in 20 words or less for a business card size ad or 35 words or less for a $\frac{1}{4}$ page ad. You can also send a snapshot or school photo to be placed in the ad.

Business Ads:

We reproduce your business card, in our ad section.

Cost:

Spirit Ads: business card size = \$10 (20 words or less)
 $\frac{1}{4}$ page = \$25 (35 words or less)

Business Ads: business card size only = \$20

Put your child's picture or your business card along with payment into an envelope and attach it to this flyer. You can give it to your student's teacher or leave it in the office.

*Please make checks payable to Suburu PTC. Thank you
